PERSONAL MEMORANDUM FOR: Mr.

25X1

In an effort to block out the type of memorandum that would be most helpful, dictated the attached this morning. You will appreciate that it is only a sample of the sort of comments that will take us one step further forward and perhaps USIB and NRO a couple of steps closer together. If this approach is totally incompatible with NRO's ideas, we should get together and find out the why and wherefore.
